

The mistreatment of porters can be a troubling challenge in the climbing industry. We are an approved Partner company with the Kilimanjaro Porters Assistance Project – KPAP – and the International Mountain Explorers Connection – IMEC – Partner for Responsible Travel Program.

We voluntarily participate with KPAP's monitoring activities and allow KPAP to evaluate the treatment of our porters on all our climbs. By climbing with us you can be assured that your porters are well taken care of.

KPAP also helps to improve the working conditions of porters by:

- Lending donated clothing at no charge to the mountain crew for use while climbing
- Offering educational classes to porters
- Educating the public on porter working conditions and climbing responsibly
- Providing industry guidelines for proper porter treatment

Please consider supporting KPAP by making a financial contribution to enable them to continue with their Partner for Responsible Travel Program and free services for porters. To donate, please visit <https://kiliporters.org/support-our-work-donate/>
